Competencies	<i>Uses language to communicate and to learn</i>	33%
	<i>Reads and listens to texts</i>	33%
	<i>Produces different texts</i>	34%

Course Description	The Secondary Three English Language Arts program covers a range of literary media. Students explore a variety of written texts including The Gazette, Shakespearean plays, screenplays, novels and short stories, and engage in the reading process both individually and collaboratively. Students create numerous texts ranging from the expository essay to an in-depth multi-media presentation while establishing a repertoire of resources for interacting and participating in specific contexts.
